TRENDS DISPLAY AT THE SHOWS

We have revised our AW 2021-22 trends since the surge of Covid-19, and will reveal the new directions shortly.

However, what we had prepared prior to this pandemic is still valid and we decided to reveal these trends ahead of the confirmed exhibitions.

Enjoy!

TRENDS DISPLAY AT THE SHOWS

Autumn/Winter 2021

WE CONTINUE WITH OUR THIRD DIRECTION

SUPERMOON

Spiritual materiality, timeless, intimate, sensual. Revised classics, studied with improved manufacturing techniques which aim to be environmentally responsible. Lighter weight and discrete. Iridescent patina. Perfect wools, alpaca, camel, yak, cashmere; high end craft detail.,

Inspiration

During uncertain times, some of us like to look to the cosmos and the stars for answers and the development direction of this trend embodies a sense of spiritual protection. Key words are spiritual materiality, timeless, intimate and sensual, while revised classics are studied with improved manufacturing techniques which aim to be environmentally responsible.
