Focus on Spinning mills

YILEI

YILEI, founded in 2000, is an enterprise specializing in worsted yarns and semi-worsted yarns.

The spinning mill is committed to using natural materials such as cashmere, merino wool, silk and long staple cotton to produce high-quality luxury yarns.

The highest count reached by YILEI is 150nm.

YILEI presents the 5 main worsted yarns for its AW 2022 collection:

JADE

A soft touch 100% cashmere worsted yarn and one of the classics of the spinning mills. This yarn is particularly suitable for light knits and is offered in various gauges in 75 colors in 2/48 nm in stock service for bulk orders. The appropriate gauge ranges from 14G to 18G.

GRACE

A 100% mercerized extra-fine merino worsted yarn with a soft touch and silky sheen, machine washable and easy to care for, which provides a warm feeling suitable for knits that can be worn next to the skin. It is available in stock in 30 colors in 2/48 and 2/60 nm for gauges from 14G to 18G.

LILIAN

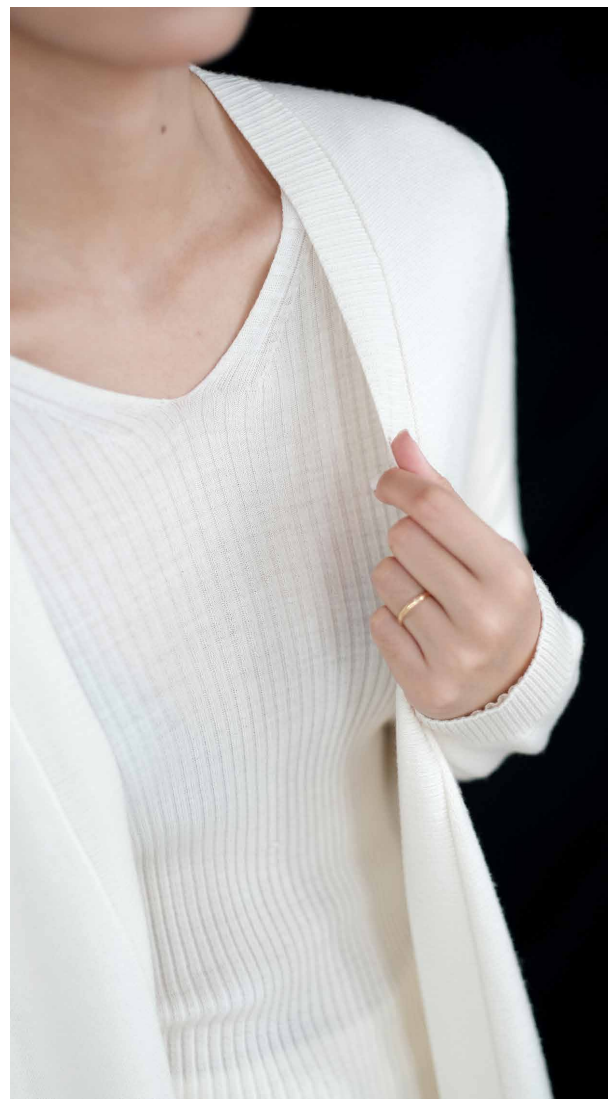

A machine-washable merino worsted yarn: LILIAN is YILEI's new product, designed to meet customers' demand for an exceptional yarn. It is made from 14.5 mc machine-washable 120S superfine merino that provides an exceptional feeling of delicate warmth. The three-layer 3/80 nm physical structure gives the yarn greater stability. LILIAN features a glossy, lustrous texture that is pleasant to the touch. The appropriate gauge is 16G/18G.

ZEN

A 70% mercerized merino and 30% cashmere yarn that not only retains the delicate feel of the fleece, but also improves pilling resistance. It is offered in stock service in 30 colors. The appropriate gauge is 14G/16G.

JODIE

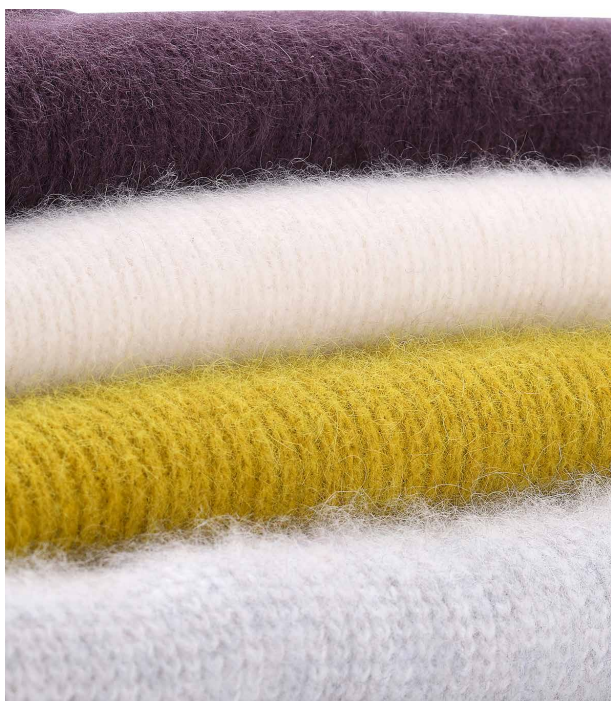

A yarn composed of 55% silk and 45% cashmere, which combines the brightness of silk with the soft feel of cashmere. The texture is light and smooth. Yilei provides custom services for multiple choices of yarn counts and different raw material ratios. The appropriate gauge is 14G/16G.

ANIMALTEX

ANIMALTEX, is a spinning mill located in Puyuan Town, Zhejiang province. It is a family-owned fluffy yarn producer since 2012 that offers raccoon yarns and fox yarns made from combing, dyeing, spinning, packing, shipping with a deep-rooted passion and swift delivery time; all raw fibre materials are selected from the best natural material farms in the north of China.

The key items for the coming AW 2022 season:

- **R1** - 2/20 NM, 100% natural raccoon yarn that is super warm and soft, with anti-pilling and skin-friendly qualities offered in 22 colors for your quick delivery.
- **R7W** - 2/16 NM, 70% Raccoon 30% Wool yarn pure of any chemical fiber ingredients, with colors selected by Japanese customers. A yarn favored by high-end brands.
- **R8S** - a 2/16 NM, 80% Raccoon 20% Silk, the first high-end natural animal yarn mixed yarn.
- **F6W** - 2/16 NM, 60% Fox 40% Wool, the n°1 blended yarn with wool that cannot be missed.
- **F5W** - 2/20 NM, 50% Fox 50% Wool offered in 16 colors.

Animaltex offers a rich yarns selection in fashion colors, always available for stimulating your inspirations.
