SPINEXPO B2B Hong Kong and London offer seasonal presentations of the Spring/Summer 2023 yarn and knitwear collections.

These presentations aim to bring together a selection of spinning mills, fiber promoters, and knitwear manufacturers to offer buyers the opportunity to discover the latest novelties and prepare their own collections in an intimate setting, conducive to exchanges.

Hong Kong is aimed at local brands and tradings offices, while London is aimed at European buyers who wish to travel from other European countries.
