MULTICOLOURED FANCY - SPACE DYED - SPRAY YARNS

COFIL

ARCI BALDO

Nm 2.500 - 31% Mohair - 31% Superfine Alpaca
20% Polyamide Fibre - 13% Cotton - 5% Polyester Fibre

Characterized by a flamed tape with multicolor cotton neps, this air flow yarn has the peculiarity of being chunky but light.

KOONS

Nm 5.500 - 72% Cotton - 14% Baby Alpaca
14% Merinos Wool

A 100% natural composition and a vintage effect due to a pastel color printing.

GATEAU

Nm 2.800 - 41% Superfine Alpaca - 41% Wool - 18% Polyamide Fibre

A superfine alpaca/merino wool blend-based yarn with a dégradé look that follows the trends.

LUGANG

FONTANA

1/13 Nm - 31% Alpaca - 31% RWS Wool - 35% Recycle Polyester - 3% Spandex

This yarn adopts the element of color change during the design, to show color change effect by using natural alpaca and wool fiber. It also adds sustainable concept in animal fiber to promote sustainable development.

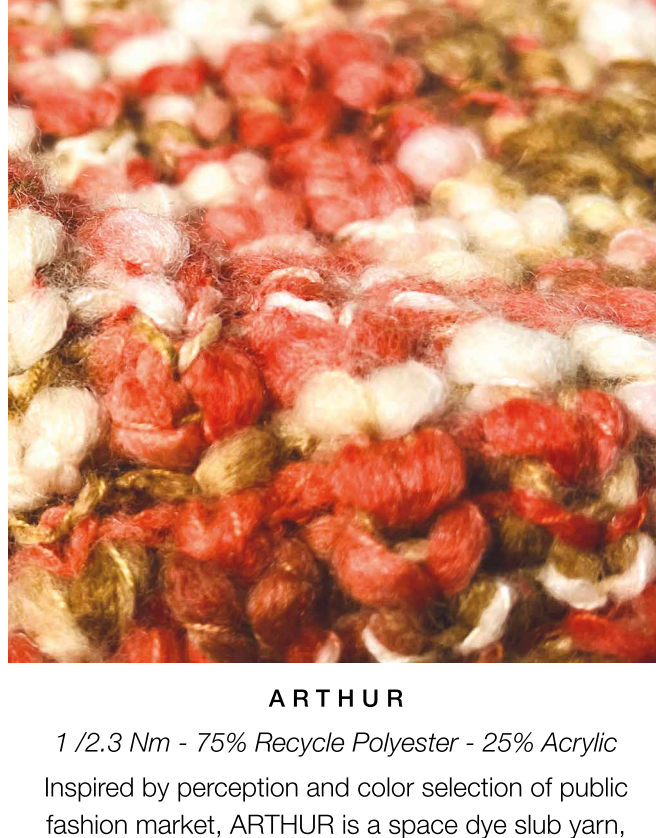

CAMELOT

1/3.5 Nm - 62% Recycled Polyester - 38% Acrylic

Classic air spun series, the hairy effect fits well

Autumn/Winter combinations of patterns

and colors change effects. High proportion of recycled fiber also contributes to the cause of sustainable development.

ARTHUR

1 / 2.3 Nm - 75% Recycle Polyester - 25% Acrylic

Inspired by perception and color selection of public fashion market, ARTHUR is a space dye slub yarn,

combined with thick and thin, reddish-brown and white.

This quality is quite special and very popular with trendy young brands.

GTHS HUASHENG

GTHS 01947

1/2.8 Nm - 77% Acrylic - 23% Polyester

Multicolor is the highlight of the season; subtle color gradients give this pattern a colorful effect.

Spongy and warm texture makes it stylish, even simple half cardigan stitch can enhance its fashion sense.

GTHS 01950

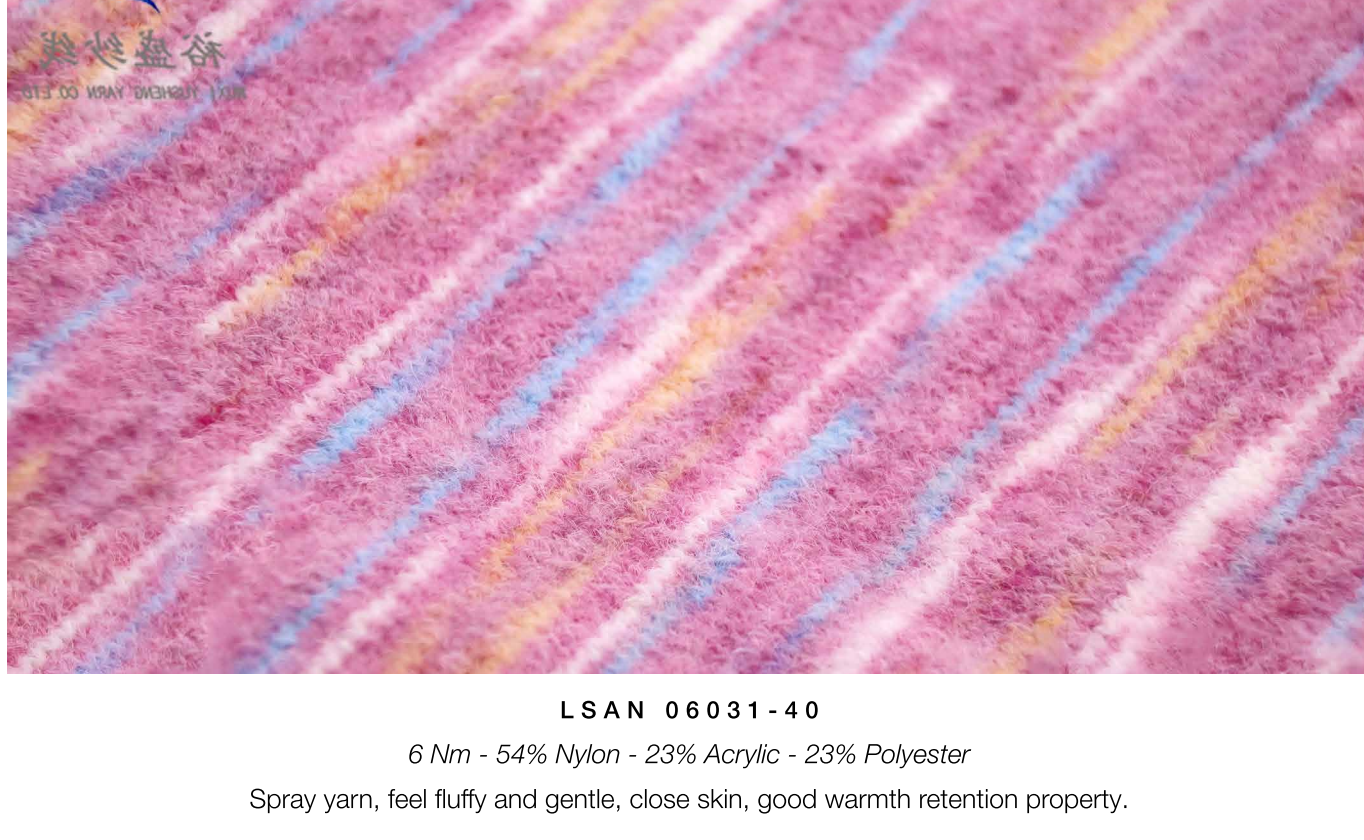

1/5Nm - 46% Polyester - 30% Recycled Polyester

24% Acrylic

The gradient treatment makes the two contrasting colors harmoniously matched together, making this group of yarns gentler and more elegant; consumers can feel

a sense of well-being when they wear the sweaters.

YUSHENG

LSA N 06031-40

6 Nm - 54% Nylon - 23% Acrylic - 23% Polyester

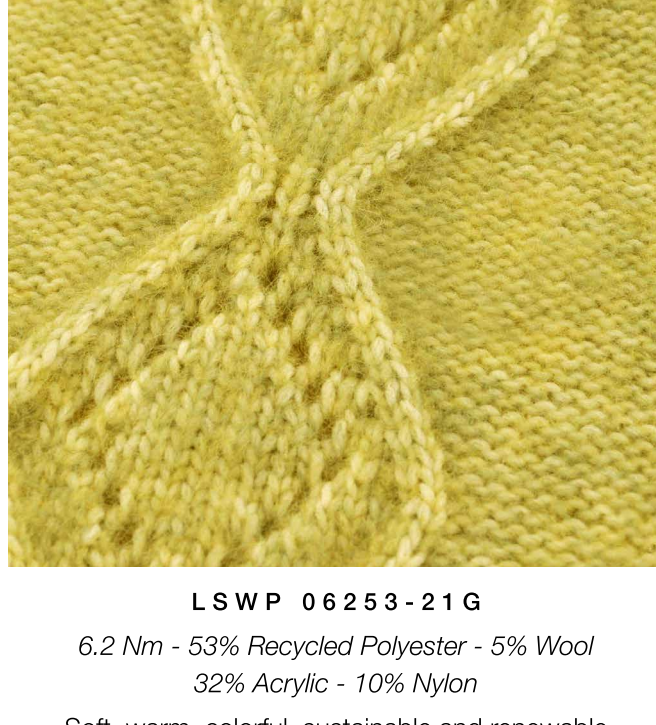

Spray yarn, feel fluffy and gentle, close skin, good warmth retention property.

MMPP 12500-00W
