

HONG KONG - NEW YORK - PARIS - SHANGHAI

40TH SESSION

SPINEXPOTH SHANGHAI 12-13-14 APRIL 2023

WORLD EXPO EXHIBITION & CONVENTION CENTER 1099 GUOZHAN ROAD - PUDONG 200126 - SHANGHAI

FAIR FACTS: Opening hours: 9.00 am to 6.00 pm 12-13 April 2023

9.00 am to 5.00 pm 14 April 2023

SPINEXPO™ is a medium size, international and selective textile exhibition featuring mid to high-end exhibitors in the fibre, spinning and knitwear sectors.

SPINEXPO™ plays host to a large range of companies specialising in knitwear manufacturing and design. Most of the knitwear manufacturers have their own collections and a Research & Development department, capable of working directly with international brands.

Pre-register and view the extensive list of exhibitors and show specific information.

VISIT US AT WWW.SPINEXPO.COM.

PRE-REGISTRATION IS COMPULSORY.

DO not forget ID and your business card!

a standard towards a new generation of yarns.

All visitors need to have pre-registered and received a bar code, and present an ID card and a business card matching one another. No entrance allowed outside this process.

Constructive atmosphere for the 40th session of SPINEXPO[™] Shanghai, at a time when durability and functionality are becoming a signature,

The demand for natural fibers continues, in symbiosis with synthetics, bringing a modernity to the collections thanks to the balance in compositions and constructions.

SPINEXPO ADVERTISE THE BEST SELLERS

OF TWO GIANTS OF THE GLOBAL SPINNING INDUSTRY

HUBO HUBO strives to lead the way in the use of sus-

cose fiber is super comfortable against the skin. The use of a core spun technique creates excellent breathability, shape retention with a soft grip. Multiple colors offer great variety.

The moisture content of the sustainable Birla vis-

loop, creating a rich texture that makes the garment comfortable and unique. HPS24028 1/5.5 Nm, 49% Cotton, 33% Recycled Linen, 18% Recycled Polyester A blend of natural linen and cotton fibers results in a dry-handle, comfortable yarn with breathable, antibacterial and eco-friendly qualities. This rustic look works equally well for women's and men's clothing. HPS24009
