A NEW FANCY CASHMERE YARN OFFER!

In parallel with its collection of classic cashmere yarns, M.Oro is launching its collection of fancy yarns. By integrating a number of other fibres into its basic cashmere, the spinning company is proposing a new collection and new structures and functionalities, with rare touches.

M.ORO

SPINEXPO™ loves this new range and presents a selection of the main new products.

GLACIER

1/9 NM, 36% Cashmere, 36% Wool, 23% Nylon, 5% Spandex

A combed soft-touch yarn with a fluffy texture. The surface of the yarn is firm and elegant, silky and comfortable, luxuriant, with a firm and elegant surface.

GOBI

1/8.5 NM, 36% Cashmere, 35% Wool, 29% Nylon

A loop yarn that is a blend of cashmere and wool, incredibly soft, with a refreshing and luxurious touch.

SNOWLAND

1/2.2 NM, 31% Cashmere, 34% Wool, 35% Nylon

A feather yarn, soft as snow, which combines a soft and waxy touch. The sweaters made with this yarn are both elegant and flowing, nice to wear and pleasant to the touch, whilst providing warmth and comfort.

THE YOUNG DESIGNERS PROGRAMME

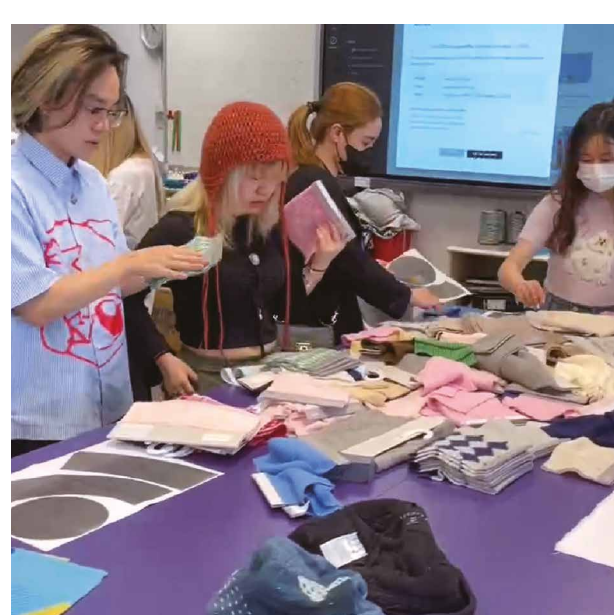

M.ORO CASHMERE, in collaboration with the Hong Kong Polytechnic University, has been a source of inspiration for young knitwear designers. Their inspirations and work will be exhibited at SPINEXPO™ in Paris, New York, Hong Kong and Shanghai.

M.ORO CASHMERE will continue to support the young designers by offering them grants, yarns, access to factories prepared to make their designs and other auxiliary services.

SUSTAINABLE KNITWEAR COMPETITION

M.ORO CASHMERE and the Hong Kong Design Institute are trying to combine knitwear design and sustainability.

The students are creating upcycle motifs and trying their hand at designing accessories such as hats and bags.

The sustainable design project is still ongoing and its aim is to develop a circular knitwear range. The result will also be presented at SPINEXPO™ in Paris, New York, Hong Kong and Shanghai.
