RESEARCH AND DEVELOPMENT

Zhongding is a world leader in wool spinning, specialising in the creation of classic yarns using mainly natural fibres, such as cashmere and merino wool.

ZHONGDING

The mill excels in technological research and development and innovation in knitting yarns. Zhongding has the advantages of the industrial chain, such as design, spinning and dyeing, and serves customers with global brands.

With the spirit of "dedication, innovation, mutual trust and progress", Zhongding strives to achieve the goal of "becoming the leader of the global fashion industry", in order to achieve mutual and win-win benefit with customers.

The SS24 and AW24-25 trend books focus on their commitment to sustainability, traceability, recycling and respect for the environment.

Fully stock supported, ready for immediate delivery.

HIGHLIGHTS ON AW 24 PRODUCTS:

CASHTOUCH - Skin-friendly and comfortable, this yarn has the softness of cashmere and a silky smoothness, is dimensionally stable when washed.

CELESTE - Soft to the touch, delicate and thin, comfortable, dimensionally stable, gently machine washable, warm and easy care.

COMELY - is silky, light and sleek, can be machine washed without shrinkage. Just a gentle ironing would bring back its natural softness and silkiness after wash.

KOS - Sporty wool with stretch yarns inside. Good on anti-pilling performance and light as a thin wing. Suitable for spring and pre-fall knitwear.

SHIMMER - has a wonderful sense of dreaminess, soft and non-itchy, green environmental protection with recycle nylon.
