NEW PRODUCTS AT THE SHOW

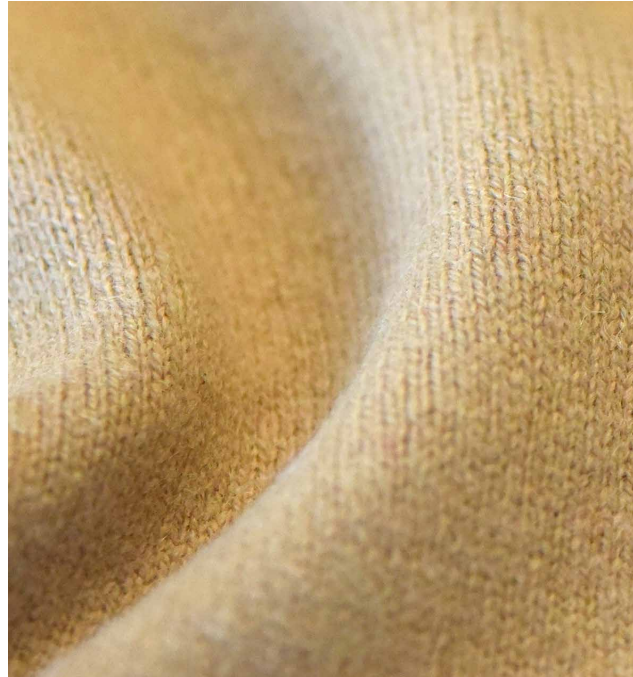

**ZHONGDING INTRODUCES A NEW COLORCARD:
NOBLE SPECIAL COLLECTION**

Luxury is defined by rarity and texture. Zhongding remains dedicated to showcasing premium quality through exceptional craftsmanship.

The AW2026-2027 Zhongding collection features a premium collection launched for celebrating exquisite natural animal fibers. Featuring an array of rare materials such as yak, raccoon and baby camel fibres, this series showcases diverse textures and natural luster in every yarn. Luxuriously warm, lightweight, and delicately soft, these fibers exude a primal glow reminiscent of pristine fur.

Select products are offered in undyed natural hues, highlighting the raw beauty and organic texture of the fibers.

HOPE | 2/16 Nm 100% Yak

Lightweight yet exceptionally warm, HOPE boasts superior heat retention with a luxuriously soft handfeel. Through Zhongding's delicate dyeing process, the yarn retains the fiber's natural properties—exuding a noble, earthy luster and unmatched tactile elegance that defines high-end craftsmanship.

CLOUD | 2/20 Nm 100% Raccoon

Prized for its cloud-like delicacy and exceptional insulation, CLOUD embodies sublime comfort. This rare natural fiber elevates every garment with understated opulence.

CAMELOT

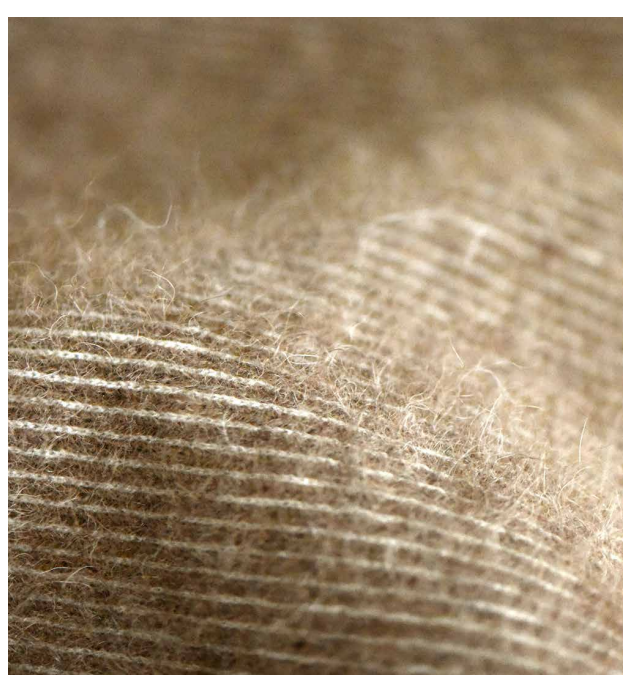

2/15 Nm 100% Baby Camel

Sourced from fine, elongated baby camel fibers, CAMELOT offers a pristine softness and breathable comfort. Its delicate texture and innate warmth make it an exquisite choice for premium knitwear.

BLESS | 2/15 Nm 70% Superfine Merino Wool 30% Yak

A harmonious blend of rare Qinghai yak down and ultrafine Merino wool, BLESS delivers a plush, lofty fabric with a distinctive character. The fibers' natural synergy creates unparalleled softness and dimensional richness.
