— LOOP - BOUCLE - SPONGY YARNS —

## LUGANG

### ALBUS

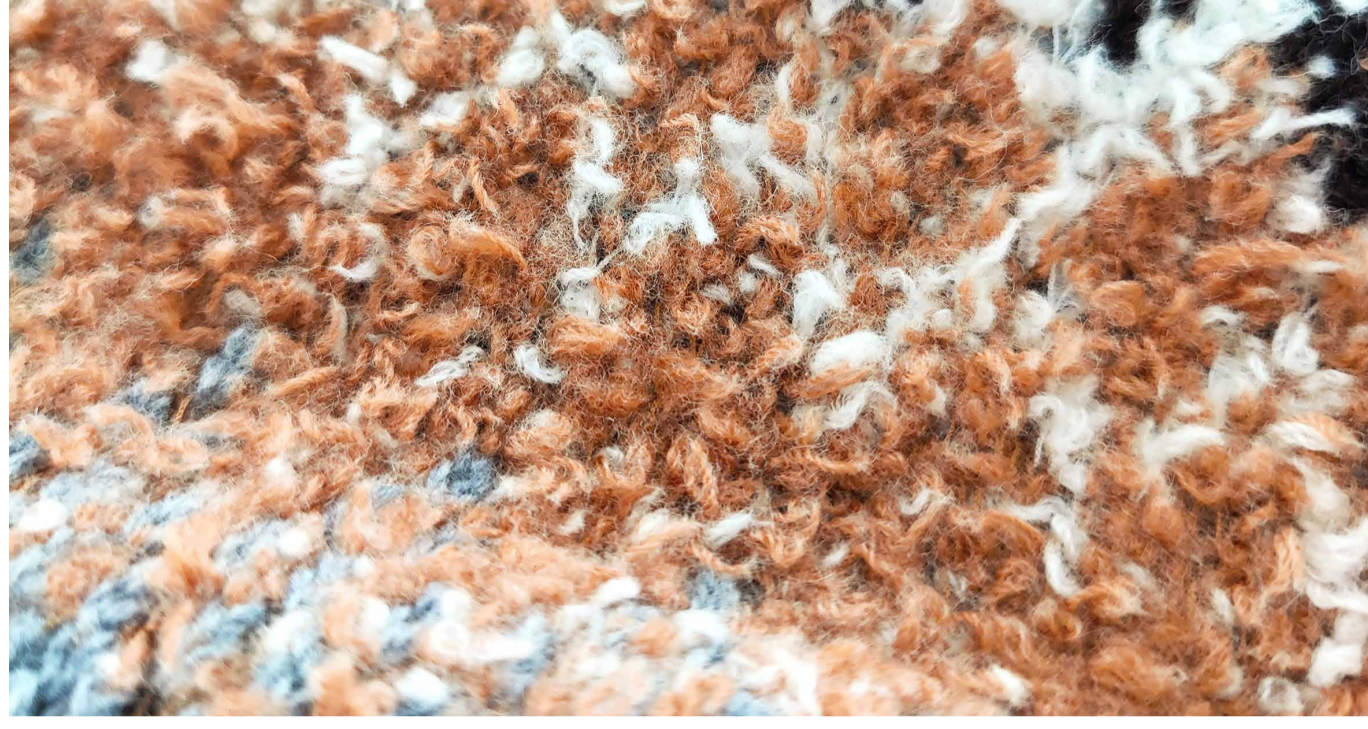

1/5.5 Nm - 51% Recycled Polyester - 47% Acrylic - 2% Spandex

Classic loop yarn series, focusing on fast fashion.

High proportion of recycled fiber brings sustainable development nature to fast fashion.

Blue and green colour change effect fits young people's aesthetic.

## GTHS HUASHENG

### GTHS 01958-A

1/5.5 Nm - 43% Wool - 30% Terry® - 27% Polyester

This yarn breaks the traditional spinning process of wool products by using a combination of different processes, and different contrast pattern effects, which not only reflects the warmth and comfort of the wool series yarns, but also shows the wild side.

## YARNS & COLORS

### DEKER

1/16 Nm - 47% Mercerized Wool - 31% Acrylic  
22% Recycled Nylon

Soft and smooth, skin-friendly, not easy to pilling.  
Fine-count, high-proportion mercerized wool  
super-dense loops, produced by high precision  
PAFA twisting machine, high quality texture.

### BUBBLE RWS

1 / 2.6 Nm - 39% RWS Wool - 22% Alpaca  
25% Acrylic - 13% Nylon - 1% Spandex

This yarn adopts RWS responsible wool, adheres  
to the protection of animal and land health, and ensures  
the traceability of the supply chain. Classic loop yarn :  
using all environmentally friendly raw materials.  
The loop is large and tight, the cloth is thick and does  
not tie the skin, which simultaneously enhances beauty  
and green environmental protection.

## FILPIU

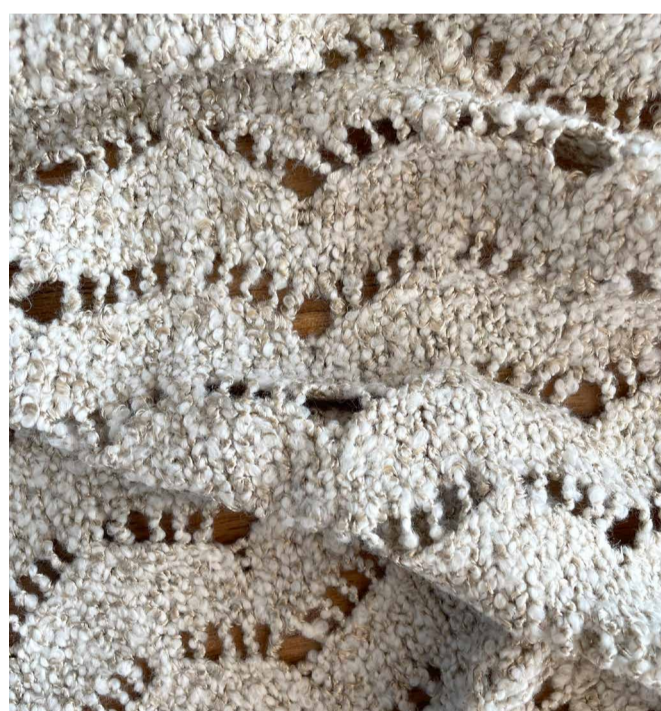

### MUFFIN

Nm 2400 - 57% Alpaca - 30% Ecovero Viscose - 12% Recycled Nylon - 1% Spandex

It is a big boucle yarn top-dyed in an astrakhan look.

And a sustainable boucle because of the use of Ecovero Viscose and Recycled Nylon Grs.

## XINFANG

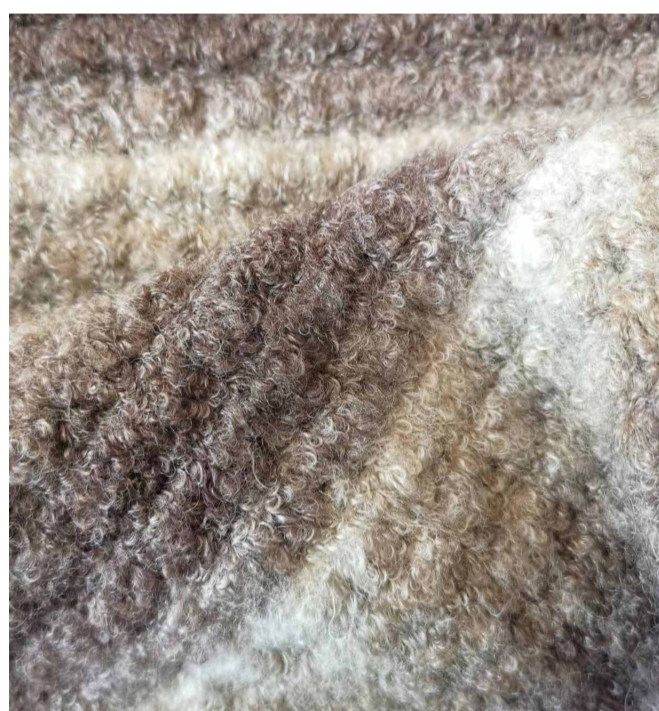

### XFAW 1154 SUSAN

Nm 1 / 2.3

55% BCI Cotton - 38% Polyester - 7% Wool

Wrapped loop yarn, as the name suggests,  
combines the advantages of both yarns.  
Using BCI cotton and wool, it shows a fluffy structure  
and less hairiness.

### XFAW 1177 MARIAN

1/7 Nm - 69% Acrylic - 17% Nylon  
12% Wool - 2% Spandex

For the gradient fancy loop yarn, the use of small loops  
on the surface of the yarn can demonstrate a three-  
dimensional grainy fabric, and the appearance  
of the fabric is soft, thick and elastic.

## TOP LINE

### ROWAN

Nm 5500 - 58% Extrafine Merino Wool - 31% Yak - 9% Polyamide Fiber - 2% Elastan

Low-key and elegant retro loop yarn, the loop shape is meticulous and unobtrusive, tight and elastic.  
Unique two-tone effect, showing a ragged « denim » effect. In terms of raw materials, extra-fine merino wool  
and yak from the snowy plateau are selected to create a soft, skin-friendly and comfortable high-end feel  
which can meet the needs of men's and women's clothing.

## COFIL

### NILDE

Kid Mohair and superfine and Alpaca blend

Kid Mohair and superfine alpaca blend is the winning formula for these yarns.

The boucle brings a lambswool effect and a volume that gets enhanced by the brushing process.
