BEST SHAN

ALPAMAYO - 10

1/10 Nm - 34% Alpaca Suri - 19% Wool Extrafine
47% Nylon

Super Alpaca Suri is excellent in softness,
high hair feeling and warm keeping.

LIMA

1/28 Nm - 17% Baby Alpaca - 52% Wool Extrafine
31% Nylon

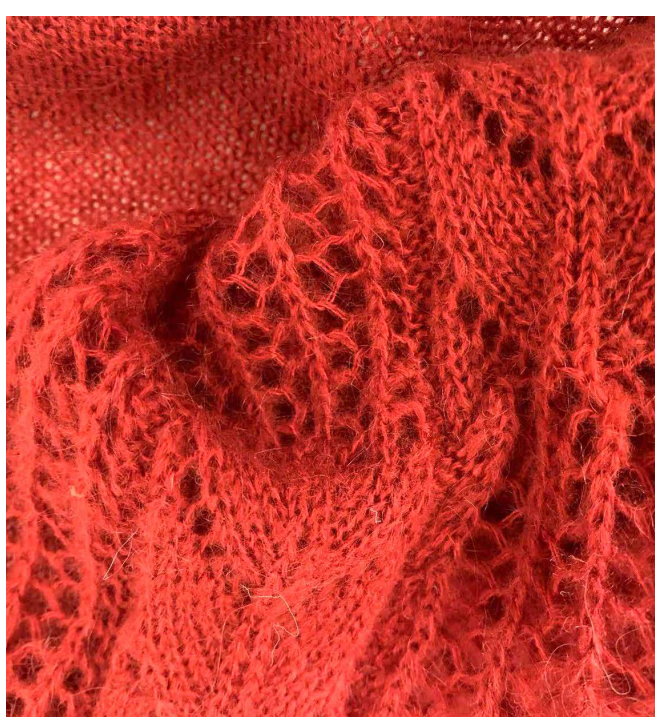

Mixed with baby Alpaca and Wool, are excellent
in softness, high hair feeling and warm keeping.

SURABRA - 13

1/13 Nm - 39 % Alpaca Suri - 21% Wool Extrafine
40% Nylon

Super Alpaca Suri, excellent in softness, high hair feeling
and warm keeping, also gradual change yarns are bright
in color and bring a good sense of depth.

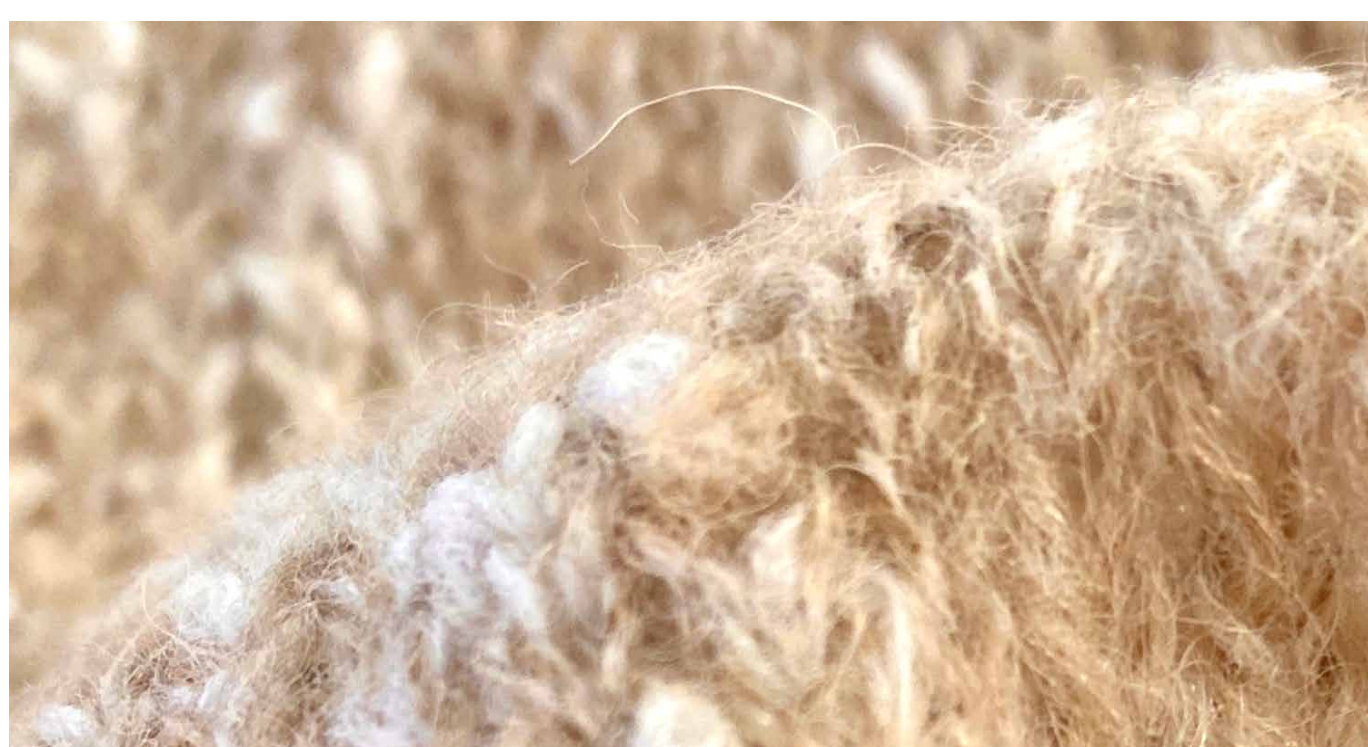

SUPERKIMONO - 13

1/13 Nm - 30% Superfine Kid Mohair
30% Wool Extrafine - 40% Nylon

Super kid mohair, brushed yarns, are excellent
in softness, lightness and warm keeping.

FILPIÙ

NUVOLA

Nm 4500 - 38% Alpaca - 38% Organic Cotton - 24% Recycled Nylon

Nuvola is a yarn dye in Alpaca blend with an Organic Cotton knot inside.
The Cotton is always white making the rustic effect of the yarn.

COFIL

COCCHINO

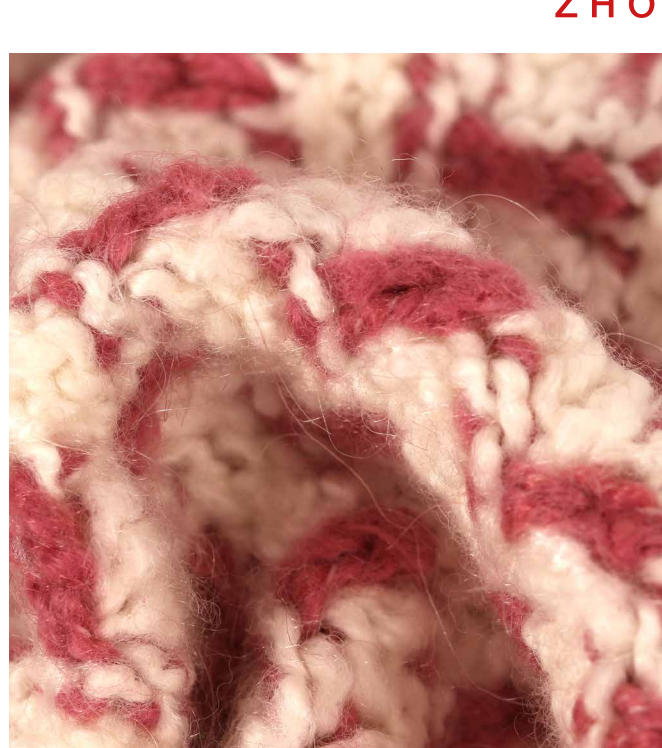

Nm 5.500 - 53% Mohair - 45% Polyamide Fibre - 2% Elastan

COCCOBELLO STRETCH

Nm 5.500 - 82% Superkid Mohair - 16% Polyamide Fibre - 2% Elastane

These two yarns share the same structure and softness. The polyamide fiber in COCCCHINO yarn makes it shinier
and brighter, while the rich mohair composition of COCCOBELLO makes it fluffy and hairy.

ZHONGXIN

ZN - 50258WRHEA

1/8 Nm - 57% RMS Mohair - 19% Rayon
10% Polyester - 12% Nylon - 2% Spandex

Special long hair mohair yarn. Fabric has a soft touch
with long, even fiber and non-shedding quality after
napping. By adding various synthetic fiber,
we improve and stabilize this yarn's quality.

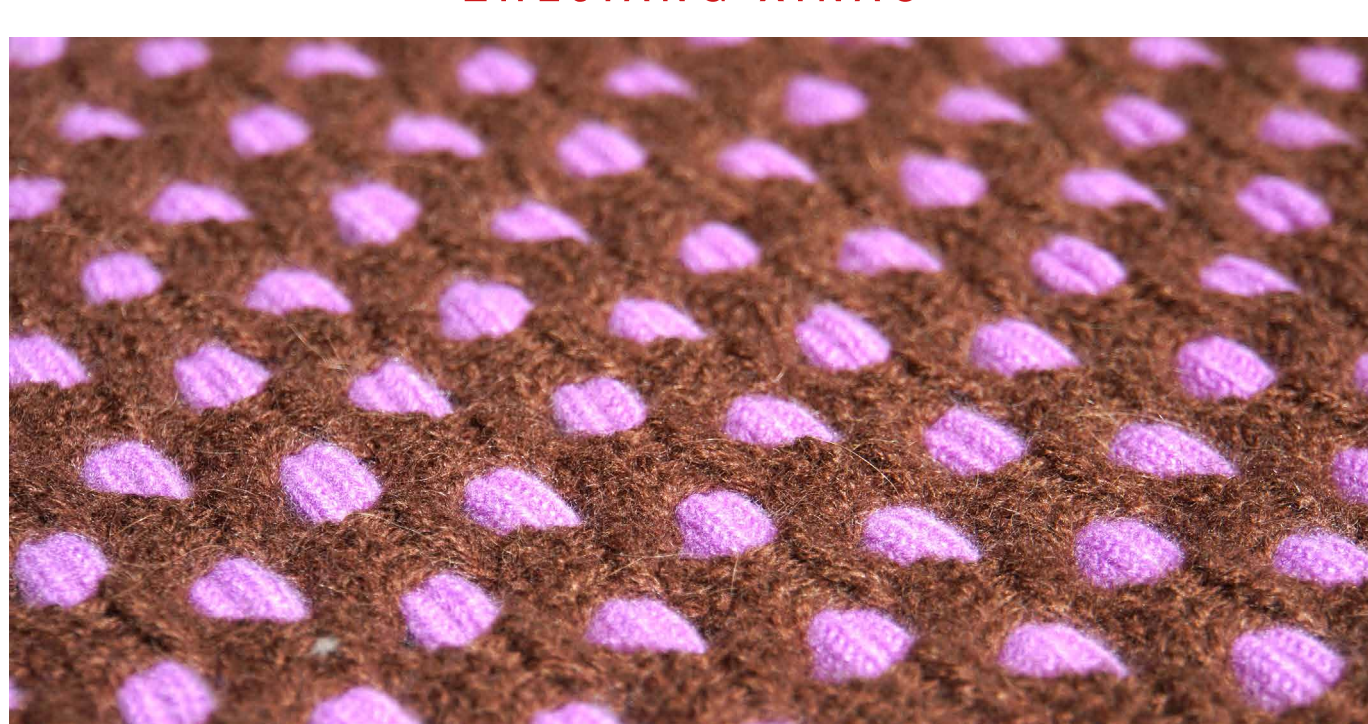

ZSM - 15078 DEMETER

1/15 Nm - 56% Nylon - 30% RWS Merino Wool
10% Baby Alpaca - 4% Spandex

With the combination of RWS certified wool and baby
alpaca and fancy yarn finishing technique that produces
delicate texture, this yarn is visually and tactically
improved. It has a soft, gentle touch, which is better
suited for daily life.

ZHEJIANG XINAO

ANDES

2/16 Nm - 70% Alpaca - 30% Extrafine Merino

Alpaca is extremely soft and it has an excellent thermal performance.

Also, it is not easy to gain the dusty look in the surface of the fibre. The Andes yarn is made from an intimate blend
containing Alpaca and extrafine merino wool. It is a great choice for Autumn and Winter garments.
